

25+ YEARS OF EXPERIENCE

Robert Kaferle, CDS

Director of Safety

Robert was raised in West Texas and started working at an LTL trucking company out of high school. He got a CDL when he turned 21 and still drives today for the local high school band in his town. Robert's experience in trucking is well rounded. He has 7 years experience as a driver, working in operation, safety and human resources in various trucking companies. His last position previous to Reliance Partners was as a risk consultant for a major insurance market.
